

Come join us in showing your love for the park!

at The 2021 WINTER WARM UP

Virtual Event

Saturday, February 13th from 7 pm to 8-ish

Bring your special someone to help us celebrate the park and raise funds for the Friends of High School Park, a non-profit community group who works year round to enhance the ecology of our open space and to bring the community together through art and music events. We will set the mood for this mid-winter warm up with musical performances and highlights from our community project LOVE LETTERS while you snuggle up at home. Reserve tickets [here!](#)

How do you love the park?

Our community project, LOVE LETTERS, invites you to express your love for the park and for the loved ones with whom you share the park in handwritten letters to be deposited in the mailbox located by the shed. Prefer to keep it digital? Feel free to post your declaration of love, tag us on [Facebook](#) and/or [Instagram](#), and use the hashtag [#FHSPLoveLetters](#) by February 13th. Content will be featured at our virtual Winter Warm Up virtual event.

PLEASE HELP US MEET OUR FUNDRAISING GOAL!

This year we are offering tickets to the event for FREE and we hope that if you are able you will contribute to Friends of High School Park by bidding on items in our online SILENT AUCTION preceding the event and by donating [here](#) toward our fundraising goal of \$10,000 by February 14th.

SILENT AUCTION

January 28 - February 11

The [silent auction website](#) will go live on January 28th.

Item pickup will be on Saturday, February 13th
