

ANNOUNCING THE 2021 FRIENDS OF HIGH SCHOOL PARK OUTDOOR ART & MUSIC SERIES!!!

Like in 2020, we again are unable to host the thousands of community members who normally attend and participate in our Arts in the Park festival on the first weekend of June. Instead, similar to what organically came about last year, Friends of High School Park is pleased to announce that we will host a socially-distanced, outdoor art and music series from May through August 2021.

Join us as we appreciate art installations throughout the grounds of High School Park as well as evening musical performances.

MAY 1st - 14th Outdoor Art Installation
For the Future by Julia Way
Artist Talk & Walk - May 1st at 2 pm
See flyer here.

More details about the schedule will be announced soon.

***Please note: Friends of High School Park will also host an outdoor festival PARKTOBERFEST on Sunday, October 3, 2021 when we hope it will be safer to hold a larger community event. Save the date! ***
